SPONSORSHIP OPPORTUNITIES

We are delighted and proud to present the AIPM Project Management Achievement Awards. This prestigious event has been growing each year since 1999 and attracts over 2000 attendees each year Australia wide. But not only the number of attendees is constantly improving; it is also the growing variety of industries that make this series of events more and more relevant.

Established to recognise and honour excellence and outstanding achievements in project management in seven categories, the awards program is held at two levels. At Chapter level, category and overall winners are selected in each state and territory and at National level the category and state winners are judged for the national award. Recognition from the peak body for project management in Australia and beyond provide a quality sign for your business that helps building trust and relationships with both, existing and potential clients. It gives a competitive edge in a tough market place.

The awards have a loyal following of corporate and government supporters demonstrating the tremendous value that event sponsorship can impart. For a summary of the previous winners and a list of sponsors please visit the PMAA pages on the AIPM website www.aipm.com.au. You are invited to participate in this significant industry event. We hope you will take advantage of this unique opportunity and look forward to working with you to ensure maximum benefits are achieved for your business.
