Tasmanian Government

Inter Agency Steering Committee

Contact: Mitchell Kneve

Telephone: 03 6233 5011

Email: Mitchell.kneve@ dpac.tas.gov.au

The Tasmanian State Government established the Inter Agency Steering Committee (IASC) in 1998. The purpose of the IASC is to support the efficient use of government resources and reduce the duplication in activities related to eGovernment, particularly where whole-of-government projects and issues are involved and encompassing policy principles where necessary. The IASC aims at consistency of approach within government, provides high-level governance for projects, identifies whole-of-government issues and activities and encourages collaboration, innovation and flexibility across State Government Agencies.
