

Banksia Media Group Pty Limited

ABN 73 092 300 760

Specifications for Australian Project Manager Journal

Film Specifications

Film negatives, emulsion right reading down with a chemical proof from the supplied film, 133 screen ruling. Spot colour film should be supplied in the process colours (NOT PMS). If a special PMS colour is required, a fifth colour run will be charged to the client on top of booking fee.

Digital Art Specifications

The typesetter is a Macintosh based studio, we therefore require any digital artwork to be provided in the following formats.

PLEASE NOTE:

We do not accept files created in Powerpoint, Excel, Coreldraw, Publisher, Pagemaker or any other program not listed below.

**We do not accept finished digital files created in Microsoft Word as it is impossible to convert them to an acceptable format for the printing process
- the file will have to be recreated in an appropriate program listed below.**

TRANSPORT MEDIA:

PC CD, e-mail, 100mb zip
MAC CD, e-mail, 100mb zip,

A LASER PRINT OUT OF ANY FILES SUPPLIED MUST ACCOMPANY ALL TRANSPORT MEDIA.

E-MAIL REQUIREMENTS:

Send all e-mail to bmg@ihug.com.au

Files less than 1mb can be emailed without prior notice.

Files larger than 1mb can be emailed after arrangements are made with Banksia Media Group.

All graphic and text files must be sent as 'attachments' to the email document. Names of all attachments must be listed within the email and please let us know which publication the email is for.
