

The Current State of the Project Management Job Market

Presentation 1

The Project Management Skills Gap, Nik Ruparel, ProNEXUS

What is the impact of a skills shortage to both individuals, project teams and companies?

Nik will cover the challenges faced by the project management profession when it comes to talent and the amount of money that is intended to be spent on projects. You will find out the cause of the skills shortage and what the impact is on individuals, project teams and companies.

Presentation Take Aways

- The challenges facing the project management profession both from an individual and project delivery standpoint
- The impact on an organisation with a skills shortage
- Practical steps that can be taken by individuals and organisations

Presentation 2

How to get a job as a Project Manager in the Covid-19 era, Chris Stannage, Hays

In a candidate saturated market, how can I make my job application stand out?

As a Project Manager in today's world of work, you may find yourself in the position of looking for a new opportunity. Navigating the job market during a time of uncertainty can seem daunting, however, many organisations are still hiring, and some industries are even thriving. To help you stand out from the crowd and secure your next Project Management role, Chris Stannage from Hays Recruitment Agency shares his top advice.

Presentation Take Aways

- How to turn job rejection or negative feedback into a positive and constructive experience
- Effective and efficient online networking strategy to capture the right kind of attention
- Tips and advice to boost your CV and stand out; what do recruiters look for as well as hiring managers
- Advice on how to demonstrate transferrable skill value

Presentation 3

Assessing Your Career and Creating a Job Search Strategy, Tina Lienert, Right Management

Right Management will share tried and tested tools and resources to help you build your current or next stage in your career. We will outline a program of self-discovery to help you explore your opportunities, plan your next steps and create a future that works for you.

The Career Management Consultant will share case studies where Project Managers have leapt into new industries and transferred their existing skills during Covid19 challenges and share some tips on building a skills inventory and a learning plan to give you the edge in the market and broaden your opportunities.

Right Management coaches provide industry data and the optimum methods of job search planning including networking and building a strong online presence.

Presentation Take Aways

- 5 steps to building a strong job application
- Right Management's career assessment tool – The Birkman Method – and the benefits of career coaching
- Labour transformation and industries to prepare for during and after this Pandemic
- Building Learning Agility and Resilience

Presentation 4

How to create a winning LinkedIn profile, Karen Tisdell, LinkedIn Coach

How do you stand out in a crowded marketplace & get people looking at your profile?

In a business context where 83% of people are checking you out online before they meet with you, it's crucial that your initial digital impression doesn't underwhelm the people you want to impress. In this high-energy session Karen Tisdell will guide us in how to improve and keyword optimise our profiles.

Presentation Take Aways

- Why LinkedIn is important
- Why search words matter in your profile and what yours might be
- How to create a winning profile
